From the Mayor of the City of Lake Dallas:

I, Michael D Barnhart, give recognition to our First Responders and essential workers of Lake Dallas who have continued to do their duty in the face of the COVID-19 pandemic. I also applaud the citizens of Lake Dallas for their diligence, patience, and adherence to the Shelter in place guidelines.

Lake Dallas will continue to follow the guidelines set forth by the President, Governor, and the Denton County Commissioners Court.

Effective Friday May 1

- Grocery stores, gas stations, pharmacies, and hardware stores may remain open with no changes.
- Restaurants, retail Stores, and libraries may open with restrictions to the amount of people allowed inside at any given time.
- I am optimistic about the opening of bars, barber shops, hair salons, and nail salons in the next phase.

Though restrictions have been loosened I ask that you remain vigilant and suggest using gloves and masks as needed, especially for those with a compromised immune system and keep in mind that social distancing is still required.

I look forward to seeing you around the city now that the shelter in place has been lifted.
