All food establishments are required to have grease traps and shall be completely pumped out at least once every one hundred twenty (120) days and at all other times as necessary to maintain their effectiveness.

I attest that the information provided above is true and accurate. I agree to comply with the City of Lake Dallas rules and regulations and understand that failure to do so may result in revocation or suspension of the permit. Annual permit renewals must be applied for and fee paid no later than December 31st of each calendar year for food establishments. This permit is not transferable and the permit fees are non-refundable.
