

# What's the problem?

I'm...

lost.  
turned around.

scared.  
freaking out.  
frightened.

hurt.  
injured.  
in pain.

confused.  
lost.  
not sure.  
having difficulties.

angry.  
furious.  
not happy.

hungry.  
starving.  
I have low blood sugar.

thirsty.  
dehydrated.

tired.  
exhausted.  
sleepy.

dying.

sick.  
not feeling well.

broke.  
poor.  
penniless.

fine.  
I don't have a problem.
