

Keeping Lake Dallas clean and beautiful is a top priority and ongoing pursuit. Below are several Ordinances in place protecting our streets, waterways and City from litter, and ways you can help today!

- Litter (Section 86-1)
 - It is unlawful for any person to deposit, throw or scatter debris in any public street, park, sidewalk or private property.
 - All trash must be placed in approved receptacles.
- Unlawful Deposits (Section 86-32)
 - Placing garbage or trash upon any property within the City, except where authorized by law, is expressly prohibited and any act in violation of this section shall constitute a distinct and separate offense.
 - Disposing of trash in another person's receptacle without permission is prohibited (Section 86-38).
- Trash on Your Property:
 - Trash, junk or garbage not removed from any property, a right-of-way or easement is declared a nuisance and is prohibited unless placed in closed containers or has been placed for pickup by the City's authorized waste contractor (Section 42-74).
 - Any person violating the above Ordinance may be deemed guilty of a misdemeanor and fined up to \$2,000 (Section 42-76).
- How You Can Help Reduce Litter in Our City:
 - Only place trash in your dumpster or public trash receptacles.
 - Be sure to keep your dumpster's lid closed at all times.
 - If transporting trash, or any other item, ensure all materials are properly tied down.
