

City Council adopted a Public Parking Ordinance November 11, 2021 to better outline where and when residents can park on public property.

- **Purpose and Intent**
  - The purpose of the public parking ordinance is to provide a mechanism in which the City may designate City-owned property as public parking to increase availability of parking in certain areas.
  
- **What is a Public Parking Lot?**
  - Public parking lots include any land acquired or leased by the City for use as a parking lot and any other land of the City set aside for such use, either permanently or temporarily.
  
- **New Regulations Include:**
  - Trailers may not be occupied as a temporary residence on an overnight basis in any public parking lot in the City.
    - Exceptions include:
      - Special authorization from City Council
      - Special parking permit issued by the Chief of Police
  - Trailers may not be occupied as a permanent residence on an overnight basis in any public parking lot in the City.
  - No vehicle or trailer may be parked or located on any public parking lot in the City between the hours of 10:00PM and 5:00AM.
    - Exceptions include:
      - Parking in designated parking lots allowing for overnight parking
      - Parking concurrent with special events and City functions.
  - These restrictions are not deemed to prohibit the City from parking, operating, storing or utilizing a vehicle within the lots it owns or controls.
