Finance

The financials are getting closer to being reconciled. They are working on a couple of items for September and a couple of journal entries. Finance Director Van Vaughn hopes to have those presented in February to City Council.

South Shady Shores and Hundley Road

The Town Hall meeting for the roads will be as follows below.

- Hundley Drive Neighborhood Meeting --January 21st, 2025, 6-8pm.
- Shady Shores Rd Neighborhood Meeting --January 22nd, 2025, 6-8pm.

Additional information will be shared through various channels, including social media platforms, door hangers, and letters to homeowners and business owners in the directly impacted areas next week.

Carlisle Drive

The Town of Hickory Creek and the City of Lake Dallas are working together to schedule a Town Hall meeting for Carlisle Road. We hope to have the meeting soon so residents of both communities will be able to see the information before the project is bid out.

Drainage Ditches

Public Works will start work on the final piece of drainage on Lakeland Road starting January 21st.

General Items

Staff and I will be working on an internal list of projects to keep track of. We will be having a multitude of projects starting in 2025. These include roads, parks, drainage, etc... I do want to make sure these projects stay on task, and we don't let anything slip through the cracks.
