Kids n' Cops

Kids n' Cops will be taking place April 26th.

Lake Dallas Library

Lake Dallas Elementary will be rotating different art through the library 3-4 times every year, and they've incorporated this program into their TEKS. The next batch will be about our summer reading theme (Color Our World) and should be up around the end of the academic year. For the library, we gain colorful art at zero cost, and we're hoping that families will come to see the art and get involved with the library in other ways.

There is a lot of new things taking place at the library as far as programing. They even have an online program now that can be accessed to help individuals learn all different types of languages.
