

**2025 NOTICE OF ESTIMATED TAXES**

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information regarding the amount of taxes that each entity that taxes your property will impose if the entity adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.

A property owner may register on the Local Property Tax Database website to have notifications regarding updates to the property tax database delivered to them by e-mail.

You may request the same information from the assessor of each taxing unit for your property, by requesting their contact information from your county's assessor at:
