Irrigation / Sprinkler Permit Application

Job Address \_\_\_\_\_

Owner \_\_\_\_\_ Phone No. \_\_\_\_\_

Contractor \_\_\_\_\_ Phone No. \_\_\_\_\_ Fax No. \_\_\_\_\_

Address \_\_\_\_\_

Inspection Fee (including Meter/Backflow Device): \$50.00

Total: \$50.00

NOTE:

- Licensed plumber or irrigator must make the tap into service line.
This tap must be left open for inspection and there must be a 4" air gap under DCVA and 6" of gravel under that.
The tie in requirements must match existing service.
Additional tie in requirements must be left uncovered until inspected.
DCVA is to be located within the front 3' of the property.

Contractor Representative

Inspection Schedule

- All inspections will be scheduled as soon as possible, preferably the next working day.
If a job fails, a \$50.00 re-inspection fee will be assessed and must be paid in advance of final inspection.
Green Tag = Passed Inspection
Red Tag = Failed Inspection (Details of failure written on tag). If you have any questions, please call 940-497-2226 Ext. 110.
